SISAL

SISAL (แผ่นปิดผิวเป่านครนารายณ์)

฿3,990.00 per ตรม.

SISAL Natural Strength with Timeless Elegance Sisal is a natural fiber renowned for its exceptional strength and durability. Characterized by its distinctive woven texture and understated natural pattern, this material brings warmth, depth, and dimension to interior spaces while maintaining a refined and contemporary aesthetic. What makes sisal unique is its balance between beauty and functionality. Its clean, textured surface highlights the authentic character of natural fibers, creating an atmosphere that feels warm, calm, and sophisticated. The subtle elegance of sisal makes it an ideal choice for interiors that seek a natural yet timeless design expression. With its inherent strength and resilience, sisal is well suited for interior applications that require both lasting performance and enduring visual appeal. Key Features * Made from natural sisal fibers * Distinctive woven texture with unique natural character * Strong and more durable than many natural fiber materials * Adds warmth, depth, and dimension to interior spaces * Refined, natural, and contemporary appearance * Suitable for long-term interior applications Recommended Applications * Feature walls * Interior wall cladding * Ceiling cladding Considerations * Recommended for interior use only * Avoid prolonged exposure to water and excessive moisture * Best installed in dry and well-ventilated environments Note: As a natural material, slight variations in color, texture, and fiber pattern may occur between production batches. These variations are not imperfections, but rather part of the material's unique character, reflecting its natural origin and the craftsmanship behind each piece.
